60 Years Later, Southwestern Oklahomans Are Still Joining Hands To Promote Area Tourism. Join Hands With Us And Help Us Continue Telling The Story of Great Plains Country.

OUR MISSION STATEMENT

"Extending aid to, promoting, sponsoring, encouraging, and financing projects that will result in the economic growth of Southwestern Oklahoma by means of educating the public to programs of tourism, recreational, beautification, and cultural development."

TOURISM IS ECONOMIC DEVELOPMENT

When visitors spend money in Southwest Oklahoma, those dollars don't stop at the hotel, restaurant, gas station or attraction. Visitor spending supports local businesses and generates sales and lodging tax revenue that helps reduce the tax burden on local residents and helps pay for roads, water and sewer improvements, police, fire and first responders, parks, beautification and other community services.
